

- Ganesh Mahotsav at IITGN is a celebration that blends cultural richness, spirituality, and community spirit in a meaningful and environmentally conscious way. Through the decoration, rituals, music, and cultural performances, the event becomes a platform to honor traditions while promoting unity among participants. The eco-friendly approach to the festival reflects a deep respect for nature, emphasizing sustainability alongside cultural celebration. As the festival concludes with Ganesh Visarjan, the sense of devotion and respect lingers, leaving participants with a renewed appreciation for the values of tradition, creativity, and environmental consciousness. This celebration, steeped in cultural significance, continues to be a cherished occasion that fosters a strong sense of togetherness and shared purpose.
